Mr. John Miller, living at Waverly, Kan., after using tobacco 20 years, banished his desire for tobacco with a simple recipe which he mixed at home. In a recent statement Mr. Mil-ler said: "I could not stop tobacco of my own accord, so used the following simple recipe almost two years ago and have not touched tobacco since. To 3 oz. of water add 20 grains of muriate of ammonia, a small box of Mew York on the same train, of muriate of ammonia, a small box of Varlex Compound, and 10 grains of pepsin. Take a teaspoonful three times a day. As it has no color or smell it can be given secretly in tea, coffee, milk or in food. Any druggist can fill this recipe at very little cost, and it certainly will banish all desire for tobacco."—Advt.
